Call to Order

Workshop called to Order at 5:30 P.M.

Interim City Manager, Drew Campbell and Councilmembers who were present discussed upgrading the City Park and playground equipment.

Mr. Campbell passed around some catalogs of playground equipment and asked Councilmembers to look them over and give an idea of what equipment they would like to see installed for the children at the playground. We will have to advertise for RFPs, but this gives some examples of equipment and pricing to take into consideration.

Mr. Campbell informed Council he has spoken to Barbara Reddick with SWGRC regarding funding to assist with this project.

Council previously discussed possibly relocating the City Park next to the Methodist Church. Mr. Campbell has investigated and measured the area of both sites for consideration to be discussed in the future.

Mr. Campbell also discussed the safety requirements for playgrounds and playground equipment.

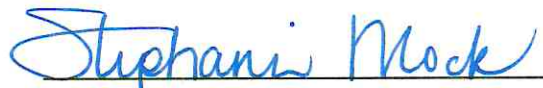

The possibility of completing the project in phases was also discussed.
