

City of Coolidge  
Workshop  
Official Minutes

January 10, 2023

5:30 P.M.

**Call to Order**

Workshop called to Order at 5:30 P.M.

The Invocation and Pledge of Allegiance were led by City Clerk, Lisa Sheffield.

The Mayor, present Council Members, and public present in the audience discussed information regarding Thomas County Animal Control.

Other topics discussed: the need for more Police Officers; a Website update; a requested City Manager Report; an update of current Infrastructure Repairs; a requested Summary of Rehab work (basically all past repairs of Infrastructure and rehabilitation of homes included in a past CHIP Grant); a Streetscape Project and traffic calming measures (not listed on the Agenda); Agendas being provided to the Public at Meetings; options for a solution to a problem with being unable to hear clearly in the Council Room – either a microphone system or placing something on the walls or rugs on the floor to absorb the echo in the room, with a request that solutions be provided at the March Council Meeting.

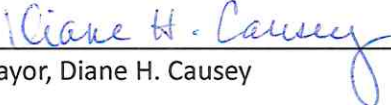

Due to time constraints, the remaining items on the Workshop Agenda will not be able to be discussed at this Workshop.

Some members of the public in the audience wanted to discuss potholes and big trucks driving down their streets causing the potholes. They were told to report the potholes to City Hall and if they see a big truck driving on their street, report it to the Police Department.

Mayor Causey discussed one last topic before the Workshop ended and that was the need for clarity from Councilmember Leger on the Bank Reconciliation Report being requested by her and asked that she meet with City Clerk, Lisa Sheffield concerning exactly what information she is requesting.
